What's Next + Your Capstone

Module 11 · Zero to LLM

Four roads at the frontier

1. **Long context** — RoPE scaling, efficient attention
2. **Mixture of experts** — router picks 2 specialists per token
3. **Multimodal** — images/audio become tokens
4. **Agents & tools** — the M01 loop, with hands

   + reasoning models that "think" longer
